

Show your support for your union and, at the same time, keep current on important information as it appears on the ATF Website! Make your homepage on your browser your union's home page. For anyone who does not know how to do that, [here you go](#).

Follow these instructions in order for:

A. Internet Explorer [Microsoft's browser, all versions]

1. In the web address bar on the top of the screen , type in <http://atfunion.org>
2. On the top of the window tool bar choose "Tools," and from its pop up menu choose "Internet Options" [the bottom one]
3. On the page that appears, click the button "Use Current"
4. Close the window. You are done!
5. Click the "home" icon on the browser to make sure it has taken effect.

B. Mozilla Firefox [a free open source browser that meets all browser standards]

1. In the web address bar on the top of the screen, type in <http://atfunion.org>
2. On the top of the window tool bar choose "Tools," and from its pop up menu choose "Options" [the bottom one]
3. On the page that appears click the button " Use Current"
4. Close the window. You are done!
5. Click the "home" icon on the browser to make sure it has taken effect.

C. Netscape [any version]

1. On the top of the window tool bar choose "Edit", and from it's pop up menu choose "Preferences" [the bottom one]
2. On the page that appears, replace the current home page slot with <http://atfunion.org>
3. On the bottom of this pop up window choose "Apply" and then close the window. You are done!
4. Close the window. You are done!
5. Click the "home" icon on the browser to make sure it has taken effect.
