

APS Career Pathway System Portfolio Student Release Form

Dear Parent/Guardian:

Please read the following information. Then complete, sign and detach the Permission Slip and return it to me as soon as possible.

This school year, I am preparing a Professional Portfolio for the Albuquerque Public Schools. The purpose of the Portfolio is to provide evidence of my skills in my work, so that they may be assessed. I am required to complete the Portfolio in order to apply for licensure advancement.

To provide this evidence, I may be videotaping the work I do with your child, alone or in a class. Although the videotapes involve both myself and various students, the primary focus is on my work and the skills I use. I may also need to submit samples of a student's work as evidence of my skills. These samples may include some of your child's work.

No student's name will appear on any materials that are submitted. All materials will be used only as evidence of my competency in my work.

Please sign the form below to grant or deny your permission for videotaping or using your child's work.

Cordially,
